About KEYS
The KEYS Internship program is a unique summer opportunity for motivated Arizona high school students with a strong interest in bioscience or biomedical science.

This 7 week, 40 hours per week program includes:
- 1 week of training in bioscience techniques and science literacy
- 6 weeks of research in a UA faculty member’s laboratory
- Participation in the KEYS Research Showcase

The KEYS Experience
KEYS interns will:
- Conduct laboratory research
- Master basic laboratory techniques
- Earn 3 University of Arizona credits
- Know how to read research papers
- Be able to communicate about science
- Work closely with UA researchers
- Feel confident in a science setting
- Develop lasting friendships

Internship Requirements
- High school GPA of at least 3.5 on a 4.0 grading scale
- 16 years of age or older at the start of the program
- U.S. citizenship or legal residency
- Chemistry and Biology recommended
